

## ***FREE VSAT EQUIPMENTS SWAP OFFER!!!***

*Swap your existing Vsat equipments for our iDirect Evolution X3 universal Modem and enjoy our premium service for cyber cafes.*

*This offer is exclusively for cyber cafes and it is for a limited time.*

### **BENEFITS**

- i) No nonsense cyber café primed Bandwidth.
- ii) Direct access to network operation center for quick resolution of problems
- iii) Online real time access to usage graphs to monitor your usage at any point in time by your self.
- iv) 24/7 support.
- v) High quality link.
- vi) Universal Vsat Modem.

### **OFFER DETAILS**

Our no nonsense Ku-band Vsat solution is specifically tailored for Cyber café owners that are fed up with poor service delivery from several other providers. This solution is specifically primed for optimum performance in a cyber café environment.

For those who already have other models of iDirect modems with 3Watts Buc and PLL LNB, we will swap their modems for an **iDirect Evolution X3 universal modem FREE of charge.**

For those who do not have iDirect equipments, we will still offer them an **iDirect Evolution X3 universal Modem FREE of charge**, but they will have to purchase a 3Watts Buc and PLL LNB.
